INUIT LANGUAGE PROTECTION ACT

Preamble

Honouring as wise guardians, the Inuit Elders and the other Inuit Language speakers and educators who have sustained and developed the Inuit Language from time immemorial, and have imparted the knowledge and appreciation of the Inuit Language, cultural and oral traditions that characterize Inuit as a people, to this day;

Considering the importance of the Inuit Language

- (a) as a cultural inheritance and ongoing expression of Inuit identity both in Nunavut communities and in the wider circumpolar world,
- (b) as the fundamental medium of personal and cultural expression through which Inuit knowledge, values, history, tradition and identity are transmitted,
- (c) to the development of the dynamic and strong individuals, communities and institutions in Nunavut that are required to advance the reconciliation contemplated by the Nunavut Land Claims Agreement,
- (d) to support the meaningful engagement of Inuit Language speakers in all levels of governance and in socio-economic development in Nunavut, and
- (e) as a foundation necessary to a sustainable future for the Inuit of Nunavut as a people of distinct cultural and linguistic identity within Canada;

Deploring the past government actions and policies of assimilation and the existence of government and societal attitudes that cast the Inuit Language and culture as inferior and unequal, and acknowledging that these actions, policies and attitudes have had a persistent negative and destructive impact on the Inuit Language and on Inuit;

Determined to respond to the pressures confronting the Inuit Language by ensuring that the quality and prevalent use of the Inuit Language are protected and promoted, and the Inuit Language is affirmed as

- (a) a language of education, in a system that in both its design and effect strives to equip Inuit children to enter adult life as world citizens having a rich knowledge of the Inuit Language and full ability to participate in the day-to-day life, development and cultural vibrancy of their communities and homeland,
- (b) a language of work in territorial institutions, and a necessary element in
 - (i) the development of a representative and appropriate public service environment in Nunavut, and
 - (ii) the full and representative participation of the Inuit of Nunavut in the economic opportunities and development of Nunavut, and

- (c) a language used daily in services and communication with the public throughout all sectors of Nunavut society;

Emphasizing that the effective teaching and transmission of the Inuit language, especially during early childhood and in communities or age groups for which there are special concerns about language loss or assimilation, are now critical,

- (a) for improved Inuit educational achievement generally, and
- (b) for Inuit Language protection, promotion and revitalization in Nunavut;

Observing that territorial institutions have an obligation under Article 32 of the Nunavut Land Claims Agreement to design and deliver programs and services that are responsive to the linguistic goals and objectives of Inuit, and that Nunavut and Canada are the government parties obliged to implement and give effect to the land claim rights of Inuit;

Affirming the Speaker's jurisdiction over the privileges and traditions of the Legislative Assembly and the independence of the courts of Nunavut to regulate their own processes consistent with the interests of justice in individual cases;

Affirming that the Inuit of Nunavut have an inherent right to the use of the Inuit Language, and that positive action is necessary to protect and promote the Inuit Language and Inuit cultural expression, and is consistent with Canada's international undertakings, including the *International Covenant on Civil and Political Rights*, the *International Covenant on Economic, Social and Cultural Rights* and the *Convention on the Protection and Promotion of the Diversity of Cultural Expressions*, proclaimed by the United Nations;

Observing that the fulfillment of these linguistic rights is inseparable from the equality and human dignity of Inuit, and from the promotion of Inuit self-reliance and cultural, social and economic well-being as contemplated by the Nunavut Land Claims Agreement;

Observing that positive action is necessary to ameliorate conditions of disadvantage and address systemic discrimination faced by those for whom the Inuit Language is a first, only or preferred language;

Affirming the commitment of the Government of Nunavut to uphold its obligations as a public government, including its obligations toward Francophones and Anglophones under the *Official Languages Act* of Nunavut and other laws protecting and promoting language rights and the right to equality and non-discrimination;

Determined, in return, to advocate for and to achieve the national recognition and constitutional entrenchment of the Inuit Language as a founding and official language of Canada within Nunavut; and

Understanding, because of the fundamental character of the values expressed and the important objectives of this Act, and on legal authority including sections 15, 25 to 27 and 35 of the *Constitution Act, 1982*, that the *Inuit Language Protection Act* shall enjoy quasi-constitutional status in law;
